Hi Lisa – I'm forwarding the following documents to you and Jane for your awareness before the 3:30p MT/ 5:30p ET meeting with the Ute Tribe today:

- Draft Talking points for the 2.28 consultation meeting in Ft. Duchesne, UT
- PowerPoint presentation re: U&O Basin Strategy
- Draft Agenda – please note, this agenda was revised on the day of the meeting. The Ute Business Committee specifically emphasized “Finalizing of the National FIP Amendment” as the first talking point, before we discussed the Comprehensive Plan.

While we shared the PowerPoint and agenda, we did not share the talking points, and these remain internal documents.

I also invited Martin Hestmark (R8 ARA OPRA), Carl Daly (Deputy ARA OPRA), Monica Morales (Dir. Air Program) and Mike Boydston (ORC) to the call.

Please let me know if you have any questions.

Thank you! – Kim V.

Lisa – to echo Laura’s comments, we just had consultation on this discussion last week with the Tribe, and I’d like to have some folks from our Air program join us as well.

Do you have time for a call, after the NTC monthly call?
